### Rhoda's Corner

By Rhoda Schreider

We welcome our snow birds back! Games are very large these days. If you would like a N/S or E/W table we now have a red book that you can sign for the days of the week that you come. It makes things much easier for everyone!

Remember, one of our largest costs in maintaining the club is our cleaning service. Please be considerate and clean up around your tables and push the chairs back. Bidding boxes should be in the center of the table. It doesn't take long and the results look wonderful!

Have a healthy and happy February and **PLAY MORE BRIDGE HERE !!!!!**
